English Learners of Other Languages (ELL)

These classes provide a wide variety of educational options needed to learn English. Students can develop skills necessary to be able to train for new job skills, or transition to college-level courses. Our experienced instructors appreciate ethnic diversity, and cultivate multicultural exchanges in the classrooms. The tuition-free program invites students who may have never been to school, or who may have some high school level education or less. For more information, call (207) 282-3883.
